Greenville, S. C. November 8th, 1871.

A Medicine as old as Time. For aught we know to the contrary, the Seltzer Spring was bubbling and sparkling when Adam walked with Eve in paradise. Be that as it may, its sanitary properties have never been surpassed by any medicine of human invention. They have, however, been embodied in all their native efficacy in TARRANT'S SELTZER WATER, which is the chemical duplicate of the Spa itself, and its effecting cures of dyspepsia, biliousness, constipation, colic, nervous debility, dropsy, rheumatism, &c., quite as rapid and as marvelous as those attributed to the famous Spring, and which the faculty of Europe have placed on record as among the medical miracles of the age. Sold by all Druggists.

Notice

IS HEREBY given to all whom it may concern, that we will apply to S. J. Douthitt, Probate Judge of Greenville County, on the 5th day of December next, for a final discharge as Administrators with the Will annexed, of the Estate of THOMAS W. ITS beauty and excellence of stitch, being alike on both sides; its neat, rotary tension and an automatic self-regulating take-up that prevents missing of stitches in crossing all seams; for the upper-thread, and its perfectly uniform tension in the shuttle, from a fall to an empty bobbin, gives complete control over both threads; its simplicity, durability, and ease of management; its running with less noise and greater ease than any other Shuttle Machine; are its peculiar qualities, and should recommend it to all in want of a

THE NEWSPAPER PRESS OF CHARLESTON

ITS HISTORY FROM ITS BEGINNING TO THE PRESENT TIME.

CHRONOLOGICALLY AND BIOGRAPHICALLY CONSIDERED.

THIS Chronological and Biographical History of the Newspaper Press of this City, embracing a period of One Hundred and Forty Years, will shortly be issued to subscribers. The Author, a native of Charleston, and for a length of time connected with its press, in compliance with the request of a number of his friends, proposes to publish this history by subscription. Well founded hopes are entertained that this record of the NEWSPAPER PRESS OF CHARLESTON will be worthy the attention of the Typographical fraternity generally, and the public at large. A work of this nature never having been attempted, induced the Author to prepare such a volume for publication. The task of collecting has been arduous, and the sole desire has been to prevent historical facts, interesting to both the fraternity and the general reader, being lost to coming generations. Lists for subscribers will soon be ready.

1. The work will be in one volume—12mo.
2. To be printed on fifty-four pound paper, neat type.
3. The volume—in cloth—to contain 200 pages.
4. Price of subscription, \$1.50.
